

SIGN UP TO LEARN HOW TO GO CURLING

Monday, September 27, 2010

8:30 PM

Olympic Arena Ice Skating Rink

You can come with your teams made up or wait until you get to the rink. (County against County? Men against Women?) If you want to come in uniform that's fine too.

We will have instructors there to teach us how to Curl and have practice time throwing the stone and using the brooms. Then the games begin.

You will have to sign up for the curling and there is a \$10.00 charge, but we are happy to announce that GAR Associates have agreed to sponsor the ice rink time charge and refreshments for everyone that signs up for curling. Since this is after dinner, no heavy food allowed, but we will have snacks and beer, wine and soda.

So join in the fun for only \$10.00 each – please return the application by September 15th so we can give the ice rink a count. Mail to: NYSAA, PO Box 888, Middletown, NY 10940
