About the Course

Ethics for Assessors

Ethics for Assessors is being offered to help local assessing officials understand the ethical dilemmas they may run into during the normal course of their workday. You will receive information on the laws that address ethics, such as, Conflicts of Interest of Municipal Officers and Employees, RPTL Sec. 336, Statement of Disclosure for Assessors, Freedom of Information Laws and Open Meetings Laws. There will be real life question and answer sessions that will be explored through group discussion.

An Ethics course is now required for all Assessors and County Directors that have been elected, appointed, re-elected or reappointed within the last year. You will have one year to fulfill this new requirement.

IAO Re-certification Credits

The Institute of Assessing Officers will award (6) re-certification credits to all Institute Members who attend this seminar. Eligible Assessors and County Directors who attend will receive basic certification and reimbursement from ORPS, pursuant to their rules and acceptance of this course.
